The mission of ENAI is to support higher education institutions to work together in the field of academic integrity.

According to ENAI, academic integrity means *compliance with ethical and professional principles, standards and practices by individuals or institutions in education, research and scholarship.*

The objectives of ENAI are to promote integrity in all parts academia (i.e. education, research and other aspects of the academic sector), specifically:

- to collaborate towards research and promotion of academic integrity
- to provide a platform for academics across all sectors to investigate, exchange, develop, collaborate and access resources in the field of academic integrity
- to offer opportunities for researchers, educators and practitioners to take a leadership role in the field of academic integrity
- to present best practices in the management of academic integrity
- to make available a central point of reference where issues of academic integrity can be discussed, researched, progressed and shared with the wider academic community
- to organise conferences, workshops and other events on academic integrity
- to network and collaborate with individuals and organisations actively pursuing related research
- to collaborate towards research
- to appreciate individual and institutional efforts regarding academic integrity by offering awards.
