It includes a 'General tips' sidebar on the right with 4 items and a 'Preparation for student work' sidebar on the left with 10 items. The bottom right corner features the Erasmus+ logo and the text 'Erasmus+ 2020-1-SE01-KA203-077973'.

## Checklist for Doctoral Students

This checklist is divided into several sections: 'General tips' with 4 numbered items, 'Pre-writing preparation' with 4 items, 'Academic and research integrity' with 10 items, 'Preparation for student work' with 10 items, and 'Formulating research questions and the study design' with 4 items. It includes a 'General tips' sidebar on the right with 4 items and a 'Preparation for student work' sidebar on the left with 10 items. The bottom right corner features the Erasmus+ logo and the text 'Erasmus+ 2020-1-SE01-KA203-077973'.

## Checklist for Master Students

# Checklists for Doctoral Students:

## Publish your research work with academic and research integrity

- ▶ The aim of this checklist is to assist doctoral students in the writing of their thesis and publishing in accordance with the norms and values of academic and research integrity.
- ▶ The checklist help guide students to prepare their thesis and research articles in line with the best research practices and prevail responsible research conduct and questionable research practices.
- ▶ The checklist is intended to be used from the beginning of the writing and throughout the whole process of thesis preparation and publishing.
- ▶ Be aware that the list might need to be adapted to your own needs depending on the research field, your past experience, and in accordance to your institutional research policies.

General tips

Academic and research  
integrity

Preparations for the  
research work

In process:
